

Directive for the certification of radio devices (“Type Approval/Type Acceptance radio devices”)

Dear applicants,

With regard to the certification of radio electromagnetic devices, which applies to the radio frequencyspectrum of Suriname, we hereby inform you that in order to qualify for a Type Approval (in our case a Type Acceptance), the following documents need to be submitted to the Telecommunications Authority Suriname (TAS).

These are:

- Mandate of manufacturer; Letter of Autorization (Power of Attorney) from the manufacturer to the authorized representative
- Manual including service instructions;
- Technical Construction File;
- DoC in accordance with ISO/IEC 17050-1: 2004 (**D**eclaration of **C**onformity);
- RF test report;
- EMC test report;
- Expert Opinion;
- Electromagnetic Field Radiation Report (for transmitters in public networks);
- RoHS (**R**eport of **H**azardous **S**ubstances);
- Warranty period;
- Name of authorized representative in Suriname for organizing placing on the market or putting into service;
- A copy of the certificate of payment to the TAS

The lead time for processing and handling of the application is **three (3) weeks**.

The costs for issuance of the certificate is **USD 100 (Hundred American Dollars) per model**.

For each request to an adjustment on the certificate, which the TAS cannot be held responsible for, an amount of **USD 25 (Twenty-five American Dollars)** will be charged extra.

If you have any questions, please contact the Technical Department of the Telecommunications Authority Suriname at(+597) 532523 # 237.

Note:

For bank transfers additional charges may apply. Please take into consideration that these charges are not part of the fee to be paid to TAS.
